

CARE & MAINTENANCE

Proper maintenance of your product is required to support the benefits of this warranty. This includes but is not limited to the owner's annual inspection of the frames and touch-up of any minor damage of the product. This warranty is voided in the event that there are indications of abuse or neglect to the furniture.

Maintenance depends on the degree of exposure to the elements, such as sunlight, moisture, and impurities from the environment. Finish and routine maintenance will protect furniture, increasing product life and providing heirloom quality furniture.

- PROTECTING

- Inspect each season
- Requires periodic maintenance as it ages, to keep its like new appearance.
- Recommended use in protected settings from exposure to sun & extreme elements.

Depending on exposure and severity of elements in your location at some point you may need to repaint your WeatherMaster frames. We recommend Sherwin Williams® A-100 Gloss House and Trim Paint.

- CLEANING

- Frames: Spot wash with soft cloth, mild soap and water. Rinse well and air dry.
- Fabrics: Spot wash with mild soap and warm water, rinse and air dry, or simply hose down regularly.

- NICKS, SCRAPES OR HAIRLINE CRACKS

- Touch up immediately with WeatherMaster touch up products available through your WeatherMaster retailer.

NATURAL WICKER

THE WARRANTY

This warranty covers all defects in workmanship or materials of your WeatherMaster by Laneventure product for the original owner.

- Frames are warranted for a period of five years.
- Finishes are warranted for a period of three years.
- Fabric and cushions are warranted for a period of two years.
- All warranty coverage begins with the original retail purchase date.

The warranty does not cover the following:

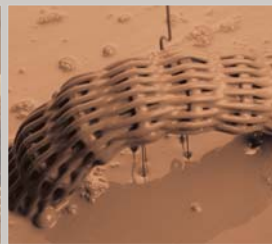

1. Abusive or negligent use.
2. Lack of reasonable care and maintenance.
3. Extreme exposure to the elements, particularly moisture, for long periods of time.
4. Normal cushion wear or reduction in loft over time.
5. Glass table tops.
6. Webbing straps (seat deck straps) if left exposed to the elements for extended periods of time.
